Reviews

The most effective pdf i ever read. it absolutely was writtern extremely flawlessly and useful. I am very easily will get a pleasure of reading through a published book.
(Prof. Vidal Ledner)

WYOMING SUN

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 156 pages. Dimensions: 8.0in. x 5.0in. x 0.4in. East of your nightmares, west of your dreams. . . Here are the venturers: A thirteen-year-old boy on the Great Plains in 1850 must contend with hunger, smallpox, and intruders from a world and time he can barely imagine. A young woman reporter and an elderly biologist become party to the strangest conspiracy of the century. An ex-Senator, resigned and in disgrace, returns home to the mountains only to find that the past is not dead just deadly. A young Indian man discovers that the ultimate winner may not be so easy to predict in a clash between cultures. A quartet of old friends find their lives inextricably tangled with what may be a ghost from the prehistoric past. These are portraits in fiction of the West. . . fantasy as colorful as an old-time rodeo. . . science fiction as contemporary as the energy industry. Ed Bryant is one of the poets of speculative fiction; his stories are more than speculation, more than metaphor. They create a mythos. The myth throbs as some dark center we believe true in a symbolic, if not actual way. One of the highest goals of literature is the creation of myth which gives us insight into ourselves and our world. Bryant gives us that insight into a changing Wyoming, where the frontier cowboy west meets energy technology and its technocrats. Charles Levendosky, Author of perimeters and aspects of the vertical Wyoming Sun justifies all the years I have prodded Ed Bryant to use his native Wyoming background in his writing. As I read the stories, I saw, heard and smelled Wyoming quite differently than before. This collection of short stories is a...
