Review Herald Publishing, United States, 2009. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book. The letters of John and Jude are a wake-up call. False teachers had infiltrated the church and introduced secular reasoning in place of apostolic teachings. John and Jude wrote to their congregations not only to warn the faithful against the impostors, but to emphasize true spirituality in the face of error and apostasy. Its no surprise, then, that these four letters are of the utmost relevance to Christians today. Johns first and second letters deal with issues central to a genuine Christian faith and life, while the third provides a snapshot of the dynamics of at least one congregation in the A.D. 90s. Jude confronts many of the same issues in his letter, including the immorality that results from a denial of Christ. This user-friendly devotional commentary divides the entire text of these four letters into bite-sized passages using a new translation by the author. Each passage is followed by the exegetical meaning as well as the practical application for the lives of twenty-first-century believers. Small study groups and individuals alike will benefit from this format and better understand Gods timely and very personal message.
