Summersdale Publishers, United Kingdom, 2012. Paperback. Book Condition: New. 194 x 128 mm. Language: English . Brand New Book. There were five rules of Twitchhiker: o I can only accept offers of travel and accommodation from people on Twitter. o I can t make any travel plans further than three days in advance. o I can only spend money on food, drink and anything that might fit in my suitcase. o If there is more than one offer, I choose which I take. If there is only one, I have to take it within 48 hours. o If I am unable to find a way to move on from a location within 48 hours, the challenge is over and I go home. Bored in the bread aisle of the supermarket one day, Paul Smith wondered how far he could get around the world in 30 days through the goodwill of users of social networking site Twitter. At the mercy of these rules, he set his sights on New Zealand - the opposite point on the planet to his home in Newcastle. All he had to do next was explain the idea to his new wife. In an adventure wrapped in nonsense and cocooned in daft, he travelled by road, boat, plane and train, slept in five-star luxury and on no-star floors, shmoozed with Hollywood A-listers and was humbled by the generosity of the thousands who followed his journey and determined its course. I can send you to Wichita by Greyhound if that s any good.Sent 10:13 AM Mar 12th I was more or less in the exact geographical centre of a different continent, and a nameless woman some 4,000 miles east in Dublin was buying me a bus ticket.
