## Mormon Crisis: Anatomy of a Failing Religion

By James A. Beverley

Castle Quay Books. Paperback. Condition: New. This item is printed on demand. 212 pages. Mitt Romneys run for President of the United States created enormous interest in the Church of Jesus Christ of Latter-day Saints. In spite of enormous media focus during the so-called Mormon Moment, coverage was often shallow and misleading, even from the LDS Church. Few reporters dug deep enough to deal with the evidence that the Mormon Church is in a deep crisis, not only because of members leaving but because of increasing proof of lies, fraud, false teaching, and criminality at the start of Mormonism. James Beverley tells the Mormon story as few can. He has studied Mormonism for over 35 years and has consulted frequently with other experts on Mormonism, both LDS and outside the LDS Church. His research trips to Utah have included interaction with polygamous Mormons, major LDS scholars, and the Attorney General of the State of Utah. Mormon Crisis deals with major issues about Joseph Smith, the first LDS prophet, provides sustained critique of Mormon Scripture, examines flaws in the LDS understanding of Church leadership, and probes unique doctrines and practices, including the secret temple ceremonies. The book offers a serious indictment..

### Reviews

*Very beneficial to all category of folks. We have study and that i am sure that i will planning to go through yet again again in the future. Its been printed in an extremely straightforward way in fact it is just soon after i finished reading this pdf where actually changed me, alter the way i really believe.*

-- **Emmett Mann**

*Comprehensive information! Its this sort of great go through. It really is rally interesting through studying time. I am just quickly can get a satisfaction of looking at a created pdf.*
