Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Heart Broken: Love got the best of me is the story of one of my best friends, Cristina Spennato. When I first met Cristina I met a girl with broken dreams. She had given up hope on finding true love until she met what she thought was the right guy. As she spent more time with him she fell more in love. They took their relationship to the next level and then it fell to the lowest point. The day that he cheated on her, was the day that destroyed her life. As she was telling me all the things that happened to her not only on her last relationship, but on all of them in my mind I was putting pieces together and by the end of the day I came up with Heart Broken.
