Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A hard-boiled tale of guns and revenge under the neon lights of Atlantic City On a floating casino just off the New Jersey coast, two masked gunmen open fire. Their powerful Austrian machine guns shatter mirrors, crack fish tanks, and knock the grand chandelier from the ceiling. By the time the smoke clears, the men are long gone, but two clues remain: a rare weapon recovered from the swirling waters of the Atlantic and the fact that, in an inescapable barrage of bullets, nobody got shot. Atlantic City taxi driver Ed Behr can t remember the last time someone took on the casinos. Then again, ever since he got his head slammed into a prison shower faucet, Ed s memory hasn t been all that great. He keeps track of his days in a little red notebook, or risks losing them forever. The one person Ed can t forget, from the time when he was more than just a fat, broke ex-con cabbie, is Honey - and he can t seem to find her anywhere. But the glimpse of another, less welcome face from the past sets Ed s wheels spinning, and he soon has a plan to reunite his old crew for a score that will make everything right again, or put them all out of their misery forever.
