

## The Data Coach's Guide to Improving Learning for All Students: Unleashing the Power of Collaborative Inquiry (Mixed media product)

By -

SAGE Publications Inc, United States, 2008. Mixed media product. Book Condition: New. 277 x 216 mm. Language: English . Brand New Book. A Data Coach's Guide to Improving Learning for All Students is an exceptional resource for anyone who wants to create and sustain significant change in schools. Designed for potential data coaches who will facilitate school-based data teams, this book includes a CD-ROM with templates, handouts, PowerPoint slides, resources, and sample goals and agendas. The text is also ideal for school and district administrators who can use the process and tools to enhance results for students and promote equity in schools. Guiding educational leaders in unleashing the power of a collaborative approach, the authors offer detailed and technical guidance to help educators move schools away from unproductive data practices and toward examining data as a catalyst for systematic and continuous improvement in instruction and student learning. Educators and data team facilitators will learn to apply the Using Data Process model which has proven successful in: Narrowing achievement gaps between students in all content areas and grade levels Achieving strong, continuous gains in local and state assessments in mathematics, science, and reading Demonstrating significant, steady gains in mathematics in...

### Reviews

*This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.*

-- **Mr. Grant Stanton PhD**

*A whole new eBook with an all new standpoint. It is actually rally fascinating throug reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).*
