## THE WAR WITH THE BELATRIN: SCIENCE FICTION STORIES / A VELVET OF VAMPYRES: TALES OF HORROR (WILDSIDE DOUBLE #28)

Borgo Press, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. In the tradition of the old Ace Doubles (flip one book over to read the second title), here s the twenty-eighth Wildside Double: THE WAR WITH THE BELATRIN: Science Fiction Stories, by Don Webb. The alien Belatrin are the Other. They look like us, they organize their society like ours, yet even the slightest contact with them leads humans to madness. Here are seven encounters from a war in space that leads to a species-changing moment of synthesis and transformation, including the classic, award-winning novella, The Five Biographies of General Gerrhan. First-rate space opera in the grand style! A VELVET OF VAMPYRES: Tales of Horror, by Don Webb. It s a murder of crows and a parliament of owls. For bats, the genus is velvet, and hence also for vampires. We like the older spelling, the one John Polidori gave us when he alerted the world to their presence. They re here--dominating our dreams, our fears, our media. But what if they aren t boy-band-pretty with diamond sparkly skin? What if they re more dangerous because they re Desire herself? What if they re behind deep erotic urges AND the desire to write a poem? What if they live in the need to tear open a bright shiny Christmas present AND the desire to drink hot red blood burning bright in the night? Seven great tales of the living undead by a Master of the Order of the Vampyre. Caveat lector!.
