PHALCON COOKBOOK (PAPERBACK)

Packt Publishing Limited, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.
Master Phalcon by implementing hands-on recipes using industry best practices with the Web and CLI interfaces About This Book * Create quick prototypes with the Phalcon Developer Tools * Learn to use the powerful and uniquely efficient Phalcon ORM * Reuse codes in real projects Who This Book Is For If you are a beginner-to-intermediate Phalcon developer who wants to level up or an advanced user who is seeking some new techniques and insight, then this book is perfect for you. This book will be relevant to you over a long period of time due to the mixed nature of this book in providing both abstract comprehension as well as specific examples meant to be usable in your projects. You will be able to experiment with each new aspect of integration in prebuilt recipes meant to best illustrate each specific feature. This will save you lots of time getting up to speed before attempting to integrate into a real application. What You Will Learn * Install the Phalcon extension from both premade packages and source code * Create a normal and micro application structure * Understand the dispatcher event cycle and create custom plugins * Get hands-on using the Phalcon Query Language and ORM * Create flexible views with the Volt template system * Leverage Phalcon to prevent common security vulnerabilities * Optimize an application with focused solutions * Profile and debug an application to get increased reliability In Detail Phalcon is a high-performance PHP framework delivered as a PHP extension. This provides new opportunities for speed and application design, which until recently have been unrealized in the PHP ecosystem. Packed with simple learning exercises, technology prototypes, and real-world usable...
