STORIES OF CAPITALISM: INSIDE THE ROLE OF FINANCIAL ANALYSTS (PAPERBACK)

The University of Chicago Press, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. The financial crisis and the recession that followed caught many people off guard, including experts in the financial sector whose jobs involve predicting market fluctuations. Financial analysis offices in most international banks are supposed to forecast the rise or fall of stock prices, the success or failure of investment products, and even the growth or decline of entire national economies. And yet their...
