A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Createspace, United States, 2014. Paperback. Book Condition: New. large type edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When Patrick and Michael buy a rambling, dilapidated house on Vieques Island off Puerto Rico, they can hardly believe their luck- or how much work lies ahead of them. Renovating their little corner of paradise proves to be a crash course in how Vieques works- and how it doesn't. Very few projects go according to plan, and many veer alarmingly off course. Along the way they learn a number of unforgettable lessons: concrete houses can have termites; five-foot iguanas aren't necessarily more afraid of you than you are of them; emergency rooms don't always stock medical supplies; and a property manager who paints your house orange instead of yellow may resign in a huff when you point out his little boo-boo. The Coconut Chronicles is a lighthearted account of Patrick's and Michael's battle to create order out of chaos in the tropics.
