SACRED LIGHT (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

Fiona would much rather avoid her magical destiny, but a pesky demon has made that impossible. There are a million other things Fiona Farrow would like to do besides guarding the Sacred Scrolls from the evil Shadow Order. Especially after the same job took away her parents. But when a powerful demon mage steals one of the scrolls and starts hunting down Protectors of Light, Fiona must suit up in her magical armor and face her fears. If she doesn't, the Shadow Order will destroy humanity and banish Fiona to a nightmarish dimension for the rest of eternity. Sacred Light is the first book in the Armor of Magic series of gripping, supernatural Urban Fantasy novels. If you're a fan of kick-ass heroines who face down demons, vampires, and shifters, you'll love Sacred Light. What are readers saying about Sacred Light: Romance, action, adventure, friendship, and a supernatural twist, this book has something for everyone! A snarky, sassy girl who wears an Armor of Magic and fights demons, shifters, and vampires -- yes, please. This was exactly the flavor of fun, flirty supernatural YA fiction I was hungry for--like a satisfying banana split on a hot summer day. The heroine is a sassy, strong and tough female character who you cheer for and empathize with throughout her journey. Buy Sacred Light and join Fiona's quest today!
