Echo Library. Paperback. Condition: New. 176 pages. Dimensions: 8.8in. x 5.9in. x 0.6in.Excerpt: . . . a little Ginger, and a Bay-Leaf or two, and let the Liquor boil, putting to it about a fourth part of White-wine Vinegar, letting it continue to boil a little more; then take it off, and let it stand to be quite cold. When the Oysters are cold, put them into Jars or Gally-pots, and pour the Liquor with the Spice cold upon them; then tie them down with Leather. The Mussel and Cockle may be pickled after the same manner, only allowing this difference; i. e. that Cockles and Mussels are taken out of their Shells by setting them over the Fire, and opening them by the Heat; but before-hand the Shells must be washd very clean, and then must be put in the Sauce-pan without Water, they of themselves will soon produce Liquor enough: then as the Shells open, take out the Fish, and wash every one well in Salt and Water; but as for the Mussels, they must every one be carefully lookd into, and dischargd from that part which is calld the Beard, and also particular care must be taken to examine whether there are any Crabs in them, for they are very poisonous, and as they lie in the Mouth of the Mussel, may easily be discovered; they are commonly as large as a Pea, and of the shape of a Sea-Crab, but are properly Sea-Spiders: the Mussels however where you find them, are not unwholesome, and it is only the eating of this little Animal, which has been the occasion of Peoples swelling after they had eaten Mussels, but the goodness of the Fish is well enough worth the Care of looking after that. When your Mussels or...
