## PUBLIC OPINION ON SOCIALISM (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Public Opinion on Socialism In the summer of the present year I announced an open competition with a first prize of ten guineas and a second prize of five guineas to be awarded to the best essays on Socialism in Practice sent in by a certain date. The name of the competitors was legion, and the essays represented every school of thought. It seemed worth while to publish a selection of them. For this purpose a collection of about two score, made by the judge who awarded the prizes, was submitted to the publishers of this volume, with whom the final choice of twelve remained. It will be obvious to those who give their attention to this symposium that the essays have not been chosen for publication with sole regard to their literary merit. The object has been to bring together representative essays. Most of us know the mind of prominent Socialists, and most of us know the mind of the leaders of the movement against Socialism.
