LEARN BASS FIDDLE: BASIC CHORDING, WALKIN THE BASS, CIRCLE OF FIFTHS AND MORE! (PAPERBACK)

DOWNLOAD

Dorrance Publishing Co., 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.With nearly fifty years experience playing the bass fiddle, Bruce G. Dundas sets down the basics for the novice fiddle player. From tuning to chording to walking the bass, Learn Bass Fiddle has everything you need to know to get started making music today! About the Author Bruce G. Dundas grew up in a musical home. His father played violin, and a brother played fiddle in country bands through the 1930s. Music and square dancing was a constant in their home during the Depression years. Dundas began piano lessons at age four and played trumpet in the school band from fifth through twelfth grade. He also played button-box accordion and piano accordion, playing in dance bands up to the present. After leaving military service in 1955, Dundas took up bass fiddle, playing in country bands through the late 50s, moving on to electric bass and playing rock music in the early 60s, as well as playing acoustic bass, piano, sax and drums combos throughout the late 60s. In the 70s, he transitioned to bluegrass and still plays accordion and bass in various dance and show bands.
