

Bear Snores On (Paperback)

Filesize: 5.91 MB

Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

(Lorenz Vandervort)

BEAR SNORES ON (PAPERBACK)

SIMON SCHUSTER, United States, 2003. Paperback. Condition: New. Jane Chapman (illustrator). New ed. Language: English . Brand New Book. It seems like Bear can sleep through anything. As a succession of animals enter his cave to escape the fierce storm, he continues to snore. Mouse makes a nice warm fire, Hare cooks popcorn and Badger brings treats. They are having a great time. But when Bear wakes up and realises he's missed out on the fun, his visitors fear the worst. Can Bear be persuaded to join the party? This read-aloud rhyming story has fun, suspense and a happy ending - with Jane Chapman's beautiful, captivating illustrations and Karma Wilson's absorbing, lyrical words perfectly depicting the companionship of the warm, cosy cave and the contrast with the wild storm outside.
