DAW BOOKS, 2015. Paperback. Condition: New. Language: English . Brand New Book. The second book in this humorous and offbeat fantasy series, where magic is rarely perfect, heroes are rarely honorable, and you just might wake up in a body that s not your own. All Frank Blackthorne wants is a little vacation from being the princess. The involuntary swap in gender has been bad enough, but being a figurehead for the Royal Court of Lendowyn is becoming downright oppressive. In a fit of drunken self-pity, Frank turns to using a cursed artifact, hoping to become a man again, if only temporarily. The good news is he becomes a man again, a kingdom away from Lendowyn court. The bad news is the man whose body he now occupies belongs to a notorious thief wanted by every kingdom in the known world. A man of ruthless ambition who has left unimaginable destruction in his wake. A man who Frank has inadvertently deposited in the middle of the Lendowyn court in the body of the princess. Now he s stranded, his only allies a group of outcast teenage girls convinced that he s the legendary master thief Snake. He must get back to Lendowyn--avoiding the armies of thieves, mercenaries, and assassins after the bounty on his new head. Dragon Thief is the second novel in the hilarious, light-hearted fantasy series by S. Andrew Swann.
