**FINALLY FEMINIST: A PRAGMATIC CHRISTIAN UNDERSTANDING OF GENDER (PAPERBACK)****DOWNLOAD**

Baker Publishing Group, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. Discussions about gender continue in many Christian denominations. With good people and solid arguments on each side of the divide, there seems to be little hope for a synthesis or even constructive dialogue. In this brief book, John Stackhouse proposes a way forward. Stackhouse provides biblical, theological, and practical arguments for his own understanding of the issue: Equality is the biblical ideal, but patriarchy is allowed and regulated by a God who has larger kingdom purposes in mind. Thought provoking and distinctive in its clarity and honesty, Finally Feminist will be extremely useful for deepening the gender conversation in the church.
