Filament Publishing, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. As a Grade A DVSA approved driving instructor, Martin Caswell has 40 years of experience of driving, teaching driving, and even teaching teachers. But for Martin, the greatest teachers have been his students, and this book represents everything he has learned about learning to drive. Whether you are just thinking about learning to drive, your provisional licence is in the post or you are preparing to take your test, this book will make sure you know your way around a car and around the roads. An Easier Way shows you that by using what you already know as a road user - even as just a pedestrian or cyclist - you are already well on your way to becoming a confident driver. With helpful illustrations and examples from real life, this book will guide you into your first lesson, through the learning process and on to a lifetime of safe and skilful driving.
