TOM WOLFE CARVES A HORSE OF A DIFFERENT COLOR: TOM WOLFE CARVES (PAPERBACK)

Schiffer Publishing Ltd, United States, 1997. Paperback. Condition: New. Language: English . Brand New Book. Very few carvers can carve animals and people with the same skill. Fewer still can convincingly carve realistic figures and caricatures. Tom Wolfe is one of them. Following his book on carving realistic horses, he now he brings the same talent to bear on caricature horses. As always, Tom takes the reader step-by-step through the carving process, with each step illustrated with a clear color photograph. From the blank to the finished painted figure, everything a carver must do is clearly explained. In addition to the standing horse project carved in the book, there are patterns for other projects, a seated horse, a rocking horse, and an Indian on horseback with a dog. A great book for carvers at all levels of expertise.
